

info@naptwg.org www.naptwg.org

Welcome to the trade association and marketing boards endorsement page of the North American Transportation Working Group (NAPTWG).

Below is the list of trade associations and marketing boards representing the interest of the produce supply chain who has endorsed the NAPTWG Best Practices.

To provide clarity an endorsement is the act of giving your approval or recommendation to something, usually in a public manner.

If you would like to join our published list of endorsers please submit the name of your organization and contact information to info@naptwg.org

The following trade associations/ marketing boards endorse the Best Practices as published by NAPTWG.

- Canadian Horticultural Council
- Canadian Produce Marketing Association
- Central California Grower Shipper Association
- Florida Fruit and Vegetable Association
- Fresh Produce Association of the Americas
- Georgia Fruit and Vegetable Growers Association
- National Association of Small Trucking Companies
- Produce Marketing Association
