## WANT TO GET INVOLVED?

NAPTWG will review these documents periodically. The initial effort has focused on produce transportation via truck; however our goal is to expand the Best Practices to all methods of transportation, including Intermodal, Container, Air and International.

If you would like to be a part of this effort, we invite you to send an email indicating your interest to [info@naptwg.org](mailto:info@naptwg.org)

Please include your contact information and what part of the produce supply chain you or your company are involved in.
